# NITEHAWK

## FRESH AIR ADVENTURE FOR LIFE

Hard to believe Nitehawk is run as a non-profit. Nitehawk has been in existence since 1960 and is run by a board of directors, a dedicated team of volunteers, and a hard working staff.

Through the course of the winter we expect upwards of 40,000 visits to our ski hill. We think it's one of the best opportunities for young people in particular to enjoy fresh air, exercise, and good clean fun in a controlled environment. That's why so many families and businesses are keen to support our Nitehawk Ski Hill.

Nitehawk and its staff of certified ski and snowboard instructors want to help you have a fun and rewarding experience on the slopes! Our instructors are committed to sharing their love of the sport and to using their training to provide you with a positive snow sport experience.

All programs, camps, and lessons are organized to recognize the needs of the student along with their age and ability.

To book yourself and/or your children into any of our lesson programs, please call the hill at 780 532 6637 and ask for "Snow School" or email us at [lessons@gonitehawk.com](mailto:lessons@gonitehawk.com). Please note when booking lessons Payment In Full is required to confirm your booking.
