Who We Are

A jewel in the Peace Country for outdoor recreation. Nitehawk Recreation Area is run as a non-profit society and has been in existence since 1960. Led by a board of directors, a dedicated team of volunteers and a hard working crew of staff.

Over the years Nitehawk has grown from a quaint ski hill to a multipurpose recreational area and facility. The chalet provides a wonderful facility for weddings, conventions and banquets in a cozy wilderness setting. All this just 15 minutes south of Grande Prairie.
